

Magic Slim & the Teardrops
Blues Foundation (W.C. Handy Awards) Nominee
for “Blues Band of the Year” 2003 through 2007
14 - W.C. Handy Nominations last 5 years

“Magic Slim is pure 100% blues. When audiences have the opportunity to see/hear a band like this in action then there is little chance of them being conned by the many pseudo-blues acts out there. Magic Slim & the Teardrops should be the standard by which we compare all others.”

Andy Grigg
Real Blues Canada

“Make no mistake, big guy Magic Slim (Morris Holt) and his gang of three are the premier Chicago blues band on the road and in the recording studio today.”
